

MyMathLab: Students Getting Started

Although you can register into your MyMathLab course from a computer off campus, we suggest that you use a computer in the Math Computer Lab to register for the first time. Our lab computers have the "plug-ins" already installed and our lab techs are available to assist you. Plug-ins are not necessary for registering.

To register you will need the following information:

Note: You will need to register only once. Thereafter, you will simply login using the login name and password that you select during the registration process.

- Your **Student Access Code**: _____
This code comes with your textbook when purchased new.
If you purchased a used textbook, you can purchase an access code either
 1. from the AACC Bookstore New: \$87.85 + tax, Used: \$30.00 + tax or
 2. Online, during the registration process, using a credit card.The charge for the access code online is \$80.00.
- Your **Course ID**, which is provided by your instructor: _____
- The **AACC Zip Code**: **21012**
- Your **full name** as it appears in AACC records: _____
- A **login name**: _____ (**You will need to remember this!**)
(**First and middle initial followed by your last name and the year,
all in lower case, with no spaces and no punctuation.**)
Sample login name: **Joe A. Smith** would be **jasmith2010**
- A **password** of your choosing: _____
(**You will need to remember this, too!**)
- A **valid e-mail address**: _____
(You can use your MYAACC email address or another one, if you prefer.)
Sample email syntax: Joe A. Smith would be jasmith@mymail.aacc.edu

Directions for Registering:

1. If it isn't already on, turn on the monitor and the CPU. In the AACC Math Computer Lab (as well as all other computers on campus) you now need to use a login and password to log in to the AACC local area network.
[Your login is "fmlast" and your password "first4LettersOfLastName FOLLOWED BY Last4digitsOfSS#"]
Example: **User name:** jasmith **Password:** smit0000 **Log on to:** STUDENT
2. Click **Start** button, **Double-Click** on the **Internet Explorer** icon.
NOTE: For at-home users, AOL cannot be used as the browser when accessing MyMathLab. AOL users should connect with AOL and then minimize your browser and use the Internet Explorer Browser.
3. Go to the <http://coursecompass.com>
4. Make sure that you have all the information listed above and then
Click on the Register Button under Students.

Now, follow the on-screen instructions to complete the registration process.

Make sure that all pop-ups are turned off. If you have any questions please call 1-888-695-6577.
